

OCTOBER 2007

Takeshi Utsumi, Ph.D., P.E., Chairman, GLOSAS/USA
GLOBAL Systems Analysis and Simulation Association in the U.S.A.)
43-23 Colden Street, Flushing,
NY 11355-5913, U.S.A.

Dear Dr. Utsumi,

With this letter I express my strong willingness to participate in the Globally Collaborative Environmental Peace Gaming (GCEPG) project.

I appreciate your initiative of the GCEPG project and with your very fine Global University initiative (GUS).

I want to participate in this project and I will use my extensive experience in computer simulation of dynamic systems to assist you in making this project a success. I will assist in the simulation programming work, the training work, and the scholarly publications based on the GCEPG project.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. C. Huntsinger".

Ralph C. Huntsinger, Ph.D.

Emeritus Professor of Computer Science
Emeritus Professor of Mechanical Engineering
California State University, Chico USA

Adjunct Full Professor of Computing Sciences
Humboldt State University, California USA

Professor of Computer Science, Software Engineering department
Bialystok Technical University, POLAND

Past President of the Society for Modeling and Simulation International [SCS]
