BRIEF BIOGRAPHY OF PETER OLU JACK, BSc., MSc., MBA, CCNA, CCAI, PhD Candidate.

Peter Olu Jack (Nigerian) is a PhD Candidate of the International Information Technology Policy Program, College of Engineering, Seoul National University, South Korea, having successfully completed Coursework with a 90% (A) average and passed the thesis qualifying exam. Peter Jack was until January 2007 a Director/Technical Assistant to the Director General/CEO of the National Information Technology Development Agency (NITDA), Nigeria (a position he held for seven years). He represented the DG/CEO on several key national committees including the National Committee on Outsourcing, and the Public Service Reform Committee and led the team that wrote the National Outsourcing Policy as well as contributed the e-Government Section in the ICT4D Strategic Plan for Economic Sectors of Nigeria, sponsored by United Nations Economic Commissions for Africa (UNECA). He was also a member of the United Nations Development Program (UNDP) consulting team that wrote the Country Strategy Plan (2007-2011) for Nigeria, representing the National Information Technology Development Agency (NITDA). He set up the National Cisco Networking Academy Program in Nigeria. Mr. Jack designed and implemented the Niger Delta Youth Computer Training Program for Niger Delta Development Commission (NDDC) in 2003.
